

TRUE ENGAGEMENT

“BE SMART, BE AWARE, BE MINDFUL”

January and February 2026 Edition

PRAY FOR 2026

I humbly come to you with thanksgiving. Lord, I thank you for bringing me through another year. I thank you for another year of growth, with more understanding, more wisdom, more love, and appreciation for my life and those around me. I know that every day wasn't easy, but I got through it with You by my side. Lord, as this year is upon me, may you teach and guide me with patience – in myself, in others, and waiting on You. May You teach and guide me in love – for myself, and show the love for others as you show me. Lord, please keep and bless my loved ones and me through each day of 2026. Please show me the true meaning of how to live my life like You would want me to. Thank you so much, I honor Your name. AMEN.

REFLECTION

"She is clothed with strength and dignity; she can laugh at the days to come."

Proverbs 31:25

By Carri Coyne

"There are days when a woman's heart feels heavy – when the to-do lists are long, the expectations endless, and the strength inside feels small. Yet, even then, God whispers, "You are enough because I am in you."

“Walking in faith doesn’t mean you have to be perfect. It means you keep showing up – with tears, with courage, with prayer. Every time you choose faith over fear, patience over panic, and love over anger, you reflect the quiet power of God’s spirit working through you.”

“Walking through faith is not easy. You must go through the rain to get to the rainbow.”

“You are not just surviving; you are becoming. You are growing into the woman God designed you to be – steady, radiant, and rooted in grace.”

“When you feel unseen, remember: God notices. When you feel weary, remember: He renews. When you feel broken, remember: He restores.”

“Sometimes we fall apart so we can be put back together the way God has intended for us.”

“Let your greatness be your strength and your faith be your armor. Remember, the teacher is always quiet during the test.”

“It doesn’t matter how many times you fall. It matters that you keep getting up.”
